

## LETTER OF EMPLOYMENT

**Syed Muhammad Areeb Iqbal**  
Karachi, Pakistan

Dear Mr. Areeb,

On behalf of Precision Quality Services, it is our pleasure to confirm your appointment as Senior Web Developer. Following our review of your background and experience, we are confident that your technical expertise will be a valuable addition to our team and to the consultancy services we provide to the textile industry.

The principal terms of your engagement are set out below:

- **Position:** Senior Web Developer
- **Work Arrangement:** Hybrid — a combination of on-site attendance at our Karachi office and remote work
- **Working Days:** Tuesday, Wednesday and Friday
- **Working Hours:** 11:00 AM to 6:00 PM
- **Date of Joining:** 13 August 2026

In this role you will be responsible for the design, development and maintenance of the Company's web applications and digital systems, for upholding coding and quality standards across projects, and for providing technical guidance to colleagues as required. You may also be assigned such other duties as are reasonably consistent with your position.

Your employment is subject to the Company's policies and procedures as amended from time to time, and to the satisfactory completion of any probationary period specified at the time of joining. You are expected to maintain the confidentiality of all proprietary information, client data and business records to which you may have access during your employment.

Should you have any questions regarding the terms set out above, please feel free to contact the undersigned. We look forward to welcoming you to Precision Quality Services and to a long and productive association.

Yours sincerely,

**Muhammad Fawad Ali Zaman**  
CEO & Founder  
Precision Quality Services
